KDSI Webmail Client Changes

Welcome to MagicMail!

From here you can log in to your webmail or personal email settings.

Please login by entering your full email address and password.

Webmail Lite is recommended for Dialup connections or older Web browsers. You may also find this option the fastest on highspeed broadband connections as well.

Tuxedo is an advanced next generation AJAX webmail that is recommended for High Speed connections with newer web browsers (IE9+, Firefox, Chrome, Safari)

To modify your account settings, click the down arrow on the **Go** to: prompt on your right and change the option to **Mail settings** prior to logging in.
